#BeyondTheBoundaries

It is our pleasure to announce a **Two- Day National Youth Conference “HMUNEA 2019”** which is being organised by **Harithkram – The Environment Society of Shaheed Bhagat Singh College, University of Delhi**. It is an academic simulation of the United Nations Environment Assembly of the United Nations Environment Programme and will be organised on **September 20-21, 2019**. We extend a warm invitation to budding environmentalists to participate in the assembly.

ABOUT THE CONFERENCE

The first session of the **United Nations Environment Assembly (UNEA) of the United Nations Environment Programme** was convened on June 23, 2014 at the UNEP headquarters in Nairobi with more than 1200 participants including Environment Ministers, Government delegates and representatives of major group and stakeholders. It was indeed a historical event where environment took centre stage in the international community. Taking cue from UNEA, Harithkram started its journey of hosting HMUNEA in 2014 with a shared vision of setting up a path of environmental sustainability. This year, we eagerly await the fourth edition of **Model United Nation Environment Assembly on September 20-21, 2019**.

This simulation of the UNEA of the United Nations Environment Programme offers young scholars from varied backgrounds to brainstorm, debate and discuss on pressing environmental concerns and issues and make the discourse on environment richer. It is a splendid opportunity for young voices to ensure a clean, green and fresh environment.

In its own small way, **HMUNEA** will fulfill the aims and goals set out by the founders of United Nations in the Preamble of the Charter: “to produce tolerance and live together in peace as good neighbours.”

ABOUT THE COLLEGE

Shaheed Bhagat Singh College, named after the great revolutionary of India, Shaheed-e-Azam, Sardar Bhagat Singh, was established as a co-educational college in 1967 as a constituent college of University of Delhi. It is one of the leading colleges of University of Delhi imparting higher education in commerce, humanities and social sciences for over five decades.

Over a period of 52 years, the College has acquired a distinguished position in diverse academic and professional fields by providing a vibrant and intellectually stimulating academic culture to promote independence of thought and grandeur of vision among the students.

HARITHKRAM

Harithkram was inaugurated by the eminent Environmentalist and Writer **Padmashri Sunita Narain** on **September 7, 2012**. Its mission is to create environmental awareness and promote green and sustainable activities “Beyond the Boundaries.” It develops young and budding environmentalists through their creative ideas and channelizes their energies towards a greener world through team efforts.

We are a society that focuses primarily on increasing sensitivity amongst students towards their environment and surroundings. Our students have keen interests in as well as work constructively towards environmental causes. Their activities ensure that Harithkram is distinctive from other societies and it works as a forum for positive discussions, debates and changes towards a green and sustainable environment.
